Title: Regarding atrocities on minority communities in different parts of the country, especially in West Bengal, Bihar and Gujarat.

KUMARI MAMATA BANERJEE (CALCUTTA SOUTH): Yes, Sir.

You have said already that tomorrow you will give your ruling on the subject.

I have given a notice for discussion under Rule 184, on atrocities on minorities, Scheduled Castes, Scheduled Tribes, children and women. Atrocities are going on continuously in West Bengal, in Bihar, also in Gujarat and in other parts of the country. We are very much concerned about this; that is why, we gave a notice to discuss the subject under Rule 184.

Mr. Speaker, Sir, you have just now mentioned that you will take a decision and let us know tomorrow. You are kind enough to do that and we would appreciate, if you could give us a positive ruling.
